psiphi-360

2019

PSIPHI-360 an initiative by the students and teachers of the Department of Physics of the University of Lucknow. The inaugural season of PSIPHI-360 is starting in year 2019 with the hope that it will go on in the years to come. This event will provide a platform to the students, to shape their imaginations and to express their ideas. As we know that physics is not about solidation, it can only be learnt by interactions, exchange of ideas.

Mission

To build foundation for excellence and spur development of the Department by igniting and nurturing enthusiasm, interests and passion, in the study of physics, as a part of curriculum.

Plan

A plan of five days program which will consists of workshops, Oral presentations , model representation, instruments demonstration and motivational talks by our alumni, cultural evening etc.

Vision

Maintaining a Scientific Pragmatic and Dialectical approach to the study of Physics..
