

## **Acquaintance Programme on Experimental Facilities at IUAC New Delhi**

### **Organizer**

Physics Department, University of Lucknow

19<sup>th</sup> September 2018 (Wednesday)

10:00 am to 1:00 pm

---

Inter University Accelerator Centre (IUAC) provides accelerator based facilities to researchers in Colleges/Universities and other institutions.

The Centre has 15 Million Volt Pelletron Accelerator. It provides several advanced facilities of International standards for research activities in the field of Nuclear Physics, Atomic Physics, Materials Science, Radiation Biology etc., using the accelerated ion beams.

The aim of this programme is to provide an opportunity to the participants to familiarize themselves with useful insights and scope in the field of ion beam based research. The workshop will have sessions of invited talks and open discussions.

Interested participants are required to fill the registration form and submit them or upload a scanned copy on or before 17<sup>th</sup> September 2018.
