Applications are invited for the post of RA in a CSIR sponsored Emeritus Scientist project (sanction letter No. 21 (0963)/13/EMR-11, dated: 29-10-2014) entitled "**Molecular characterization of immunomodulatory protein(s) of human filarial parasite *Brugia malayi***"

Name of the Position (No. of post)	Qualification and experience of the Candidate
Research Associate (One)	Ph.D. in Microbiology/ Biotechnology/ Zoology/ Life Sciences (<i>excluding Botany and allied areas</i>). Preference will be given to candidates having experience in the subject area of Helminthology especially filariasis, immunology, molecular biology and cell culture. The candidate should be capable of conducting research work independently. Stipend: Rs 36,000+HRA as per CSIR rules. Note: The project is likely to be extended for 2 years i.e Jan. 2018-Dec. 2019.

The position is purely temporary and is co-terminus with the project. The fellowship stipend, terms and conditions will be as per CSIR guidelines.

The upper age limit for **RA** shall be 35 years, as on the day the application is made. A small relaxation in age limit may be considered in the case of applicants who are suitably qualified and experienced on the recommendations of the Selection Committee. The upper age limit is relaxable upto 5 years in the case of candidates belonging to scheduled castes/ tribes/OBC, and women, and differently abled candidates.

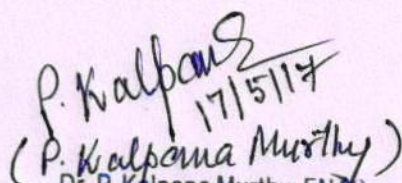

The candidates are requested to attend the **walk-in-interview** along with an application on plain paper with full details (name, address, qualifications, experience, age, e-mail ID, contact number etc.) and also bring all the original certificates. The candidates are requested to submit their application with a set of photocopies of all above documents by 1.00PM on June 3, 2017.

Date and time of interview: June 3, 2017 at 3.00PM

Venue: Department of Zoology, Lucknow University, Lucknow

The award of fellowship/associateship does not imply any assurance or guarantee for subsequent employment by CSIR or at the Institution where he/she is working. If a Fellow/Associate is reported to have been lacking in his or her research assignment, the fellowship/associateship is liable to be terminated by CSIR.

The investigator reserves the rights to cancel the advertisement /selection without assigning any reasons.
