HUMAN BEHAVIOR & CASE ANALYSIS INTERNSHIP PROGRAM

About: The Human Behavior & Case Analysis Internship Program by Thebasicpsycho bridges the gap between theory and real-world psychology. It offers hands-on exposure to areas like forensic, counselling, criminal, clinical, and child psychology through practical, case-based learning, helping students build analytical skills and real-life understanding of human behavior.

Mode: 100% Online

Duration: 30 Days (Starting June 1st)

Engagement: 45 / 60 / 120 hours (flexible based on academic requirements)

Eligibility Criteria:

- Students pursuing PG in Psychology

What the students will actually do:

- Work through 10+ real-life psychological case studies.
- Analyze human behavior via movie and scenario-based learning.
- Engage in group discussions and practical, hands-on assignments.
- Learn directly from national and international guest psychologists.
- Receive guided mentorship from day one to day thirty.

Compensation & Benefits :

- Internship completion certificate
- Performance based Letter Of Recommendation
- National and International Guest Lecturers
