UNIVERSITY OF LUCKNOW  
LUCKNOW

Computer System and Programming in 'C'  
CS-101/201

Er. Zeeshan Ali Siddiqui  
Assistant Professor  
Deptt. of C.S.E.

## General Structure of C Program

- Documentation Section
- Preprocessor Directives
- Global Declaration

```
main()
{
Local Declarations;
Statements;
}
```

```
/* Objective: To print a message on the output screen
Programmer: ZAS
Date: DD.MM.YYYY*/
```

```
#include<stdio.h>
#include<conio.h>
int main()
{
    printf("Hello World");//Message
    getch();
    return 0;
}
```

```
/* Objective: To print a message on the output screen
Programmer: ZAS
Date: DD.MM.YYYY*/
```

```
#include<stdio.h>
#include<conio.h>
void main()
{
    printf("Hello World");//Message
    getch();
}
```

**Thank You.**

**BTQ**

*BTQ: Brain Teaser Question*

*What is half of two plus two?*
