Sanskritiki was envisioned as a cultural initiative of the University of Lucknow, Lucknow. With the intent to provide a platform for artistic and literary expression and to bring out the rich cultural diversity of our magnificent country. It represents an opportunity for all members of the University of Lucknow Parivar to channel their energies into unrestricted creative pursuit. The second avatar of Sanskritiki came into being recently, with the Honourable Vice-Chancellor, Prof. Alok Kumar Rai as Patron, Prof. Madhurima Lal as the Director and the executive being reconstituted with new members being brought on board.
