Report on Campus Indian Space Week Celebrations

The Department of Chemistry in association with Sanskritiki, celebrated the Indian Space Week which is an event being organized in continuation of birthday centenary celebrations of Dr. Vikram Sarabhai. In one of its program on August, 18 2023, **Prof. Madhurima Lall**, Director Sanskritiki apprised the audience about the importance of this program and the achievements of Dr. Sarabhai.

One Ph.D. students of the Department of Chemistry **Mr. Prakhar Mishra** also presented a brief presentation about the life and achievements of Dr. Sarabhai by deliberating short biography of Dr. Vikram Sarabhai and how under his able leadership India achieved newer heights in the space research. He also talked about some interesting aspect of Physics such as 1. Time vs space; 2. Capacity vs space; 3. Leeway vs space; 4. Cosmos vs space ; 5. Array vs space.
