“Mission Shakti”

(An initiative by Government of Uttar Pradesh)

TITLE: GENDER EQUALITY AND HEALTH

The Department of Botany, University of Lucknow, celebrated Phase-3 of Mission Shakti on 15th September, 2021. The theme of the programme was ‘Gender Equality and Health’. The programme was attended by Faculty members, Under-graduate and Post-graduate students, Research scholars and support staff of the Department.

Professor Rakesh Chandra, Department of Philosophy, and Dr. Naini Tandon, Gynaecologist, were invited as Chief guests. Professor Madhurima Lall, Convener of Mission Shakti chapter at the University of Lucknow, also presided over the function.

Mission Shakti was launched by the Government of Uttar Pradesh in October last year with an emphasis on safety, dignity and empowerment of women and girls. It focuses on the rights of children, sexual crimes against women and girls, and adoption of orphaned girls. The event began with an introduction by Professor Gauri Saxena, Co-ordinator of the Mission Shakti programme at the Department of Botany. She discussed the objectives and principles of Mission Shakti, followed by a brief synopsis of the initiatives that were a part of Phase-1 and Phase-2 of Mission Shakti.

Professor Vivek Prasad, Head, Department of Botany, highlighted the importance of gender equality and the need for a change in the mindset of the people *vis-à-vis* the issues pertaining to gender equality.

The Keynote address was delivered by Professor Rakesh Chandra on the topic of ‘Gender Equality and Health’.

He highlighted the importance of girl's education, women health and empowerment and the measures that need be taken towards abolishing gender discrimination. Prof. Chandra also spoke about the significant role that can be played by the citizens of State towards achieving the objective of gender equality and wellness of women.

An interactive session on Women Health and wellness was held with Dr. Naini Tandon. She addressed the doubts and insecurities related to women health that plague the minds of the students. The interactive session was followed by a concluding remark by Prof. Madhurima Lall, highlighting the aims of the flagship program initiated by the Government of Uttar Pradesh.

An essay competition was conducted in the Department on the topic `**Women Health In India-Current Scenario and Challenges/ भारत में महिला स्वास्थ्य- वर्तमान परिदृश्य और चुनौतियाँ**` and certificates were distributed to the winners.
