

Report on HR conclave

HR Conclave was organised on 1st March, 2024 by Counselling and Guidance Cell in collaboration with Happy Thinking Laboratory, University of Lucknow. The major theme of the conclave was career choices unveiled “Navigating New Horizons for Students and Academicians”. The sub themes of HR Conclave were Navigating HR horizons, leadership in action, collaborative learning, innovation in HR practices, career pathway unveiled, cultural integration and empowering academic synergy.

Esteemed industrialists and HR experts from diverse MNCs shared their rich experience, fostering collaboration and knowledge exchange. The conclave was inaugurated under the patronage of Hon’ble Vice Chancellor, University of Lucknow, Prof. Alok Kumar Rai at Malviya Sabhagar. Prof. M. Priyadarshani, Director Happy Thinking Laboratory welcomed the guests, Dr. Vaishali Saxena, Director, Counselling and Guidance Cell presented the concept note of the conclave. Dr. Abhishek Lakhtakia, CEO ADANI Foundation delivered the keynote address in which he shared his journey of searching the purpose of his life with passion. We don't realise the opportunities of doing meaningful work. Students shared their viewpoints regarding the issue. He highlighted the importance of cognitive skills. We are living in a VUCA (i.e. volatile, uncertain, complex and ambiguous) world. Corporate Social Responsibility is changing. We have to develop the skills and a cross functional team to move with the world to embrace this change. He emphasised on staying motivated, building resilience, enhancing emotional intelligence, cultivating relationships, embracing flexibility, and avoiding staying in your comfort zone.

Shri Abhishek Prakash, CEO of Invest UP, outlined three key strategies: prioritise law and order, create diverse investment opportunities, and improve infrastructure for business and living convenience. Uttar Pradesh has seen significant job growth across various sectors like technology, media, agriculture, architecture, real estate, and hospitality. To seize these opportunities, individuals need to develop relevant skills and utilise resources like the INVEST UP and Samudaya websites. The government is also supporting startups, particularly in fields like Artificial Intelligence, while urging universities like Lucknow University to foster industry connections for direct employment opportunities and skill development.

The Presidential address was delivered by Pro Vice Chancellor Prof Arvind Awasthi. He emphasised that there is growth in employment opportunities. Helping professions are increasing but these are vulnerable employment opportunities. This mismatch between investment and enhancement of vulnerable employment should be reduced. For job opportunities, the skill set should be enhanced which has been emphasised in NEP 2020. There should be flexibility for students to learn the skill from outside or some institutions and submit the certificate of credits. The vote of thanks was given by Dr Anupama Srivastava.

The technical sessions of the concave started after a short tea break. The notable speakers were Mr. Vikas Delela, Manager Sales, Indigo UP; Mr Vivek Mishra, Chief Planning Officer, Mahindra Edu Pvt. Ltd.; Ms. Kanika Sahay, Manager HR, Hyatt Hotels Lucknow; Mr. Mohit Pathak, Senior Manager HR Operations, Educate Girls; Ms. Aditi Gupta, Head HR, Tata Motors; Mr. Amit Pathak, DGM Operations, Medanta; Ms Shalini, Data Analyst, US - India
